

OUR INGREDIENTS

Signature Pulled Pork

Experience a smokey, sweet, slightly tart, fork-tender hormone-free/non-GMO pulled pork. No liquid smoke or white sugar in this. Made with homemade New Mexico Chili paste & a touch of organic honey.

Savory Pulled Chicken

Slow-roasted chicken with a secret roasted tomatillo salsa verde that has so much umami, you might walk away from the pulled pork.

Our Bread

Made by the Bread-Artist himself, Don Guerra! We proudly serve our proteins on Don's Cuban bread, Birote/Bolillo rolls, & his Focaccia.

WHAT MAKES IT CUBAN & VEGETARIAN OPTION

Aside from our Cuban Sandwich, we make authentic Cuban black beans, similar to Abuela Mima from Miami.

Treat yourself to our Calabacitas (veggies, garlic, and herbs) like our Nana from Nogales made!

Without realizing it, many people embrace "OR" instead of "AND". Our food is healthy AND delicious. Unfortunately, the consumption of processed food has become normalized. We use fresh ingredients, and thanks to local purveyors, we are able to source hormone-free and non-GMO proteins.

Additionally, we are honored to say that our sandwiches are served on Barrio Bread! We believe business should be a force for good. Embracing the concept of thinking globally and acting locally is critical in a world where many have lost touch with one another, and themselves.
